Our Institution has created a mechanism for the redressal of student's grievances related to academic and non-academic matters such as assessment, victimization, attendance, conduction of examination, harassment by colleague, student or teachers etc. There is Grievance redressal committee at college level to deal with the problems of the students.

Powers of the committee

1. The committee shall deal with any type of grievance of the students.
2. The committee shall hear and settle grievances as early as possible, within 10 days after the grievance is lodged.

Procedure for redressal of grievance is as under:

1. The aggrieved student who has the grievance shall make an application first to the coordinator with a copy to the Principal. The coordinator after verifying the facts, will try to redress the issue within a reasonable time, preferably within a week of the receipt of the application of the student. If the student is not satisfied with the solution of the coordinator, then the same should be placed before the committee members.

2. The chairman, after verifying the facts and the papers concerned, the matter will be placed before the committee members for discussion, which shall either endorse the decision of the coordinator or shall pass appropriate order in the best possible way within a reasonable time.
3. On approval by the Chairman and the committee members, the final decision shall be communicated to the student through the Principal.
4. The committee, if needed, may recommend to the Principal, necessary corrective action as it may deem fit, to ensure avoidance of recurrence of similar grievance at Institution.
5. While dealing with the complaint, the committee observes law of natural justice and hears the complaint and concerned people.
6. While passing an order on any grievance, the relevant provisions of the Act/ Regulation would be kept in mind and no such order would be passed in contradiction of the same.
7. The student will submit the application of grievance or appeal to the coordinator either directly or by dropping in the complaint box which is placed near the entrance of the main gate of the college. This box will be opened on every Saturday.

The college also has a helpline for the student to submit their grievances.
